VPEA UPDATE

As we are nearing the end of the school year, plenty has happened within the SU, OUSA, and CASA. I will be discussing OUSA and CASA on the next slides, but within the organization, I've been focusing on preparing for transitioning, and cleaning up our policy library

- Meetings with our ORD committee for policy cleanup
- Wrapping up OUSA and CASA
- Creating and updating transition documents

OUSA FOCUSED INITIATIVES

OUSA has been fairly busy, not as much as the first term but that's cause this term is mostly focused on wrapping up and transition, as well as OUSA GA

OUSA GA

OUSA held their General Assembly at McMaster, where the student authors, including yours truly had the papers they had been working on for the term passed. The policy papers passed this cycle were Addressing Racism and Religious Discrimination, Gender-Based & Sexual Violence Prevention & Response, and International Students, which me and my Policy Analyst wrote

OUSA Future

At the time of writing this, OUSA has plans on meeting earlier in the week with the SC to go over what we want the future of the company to look like for next term with our incoming, I've also been writing the transition documents, and preparing them for the next incoming

CASA FOCUSED INITIATIVES

Much like OUSA, CASA hasn't seen too much major activity since last term, so most of the CASA work was committee meetings, planning AGM, CASA AGM, and then training my successor

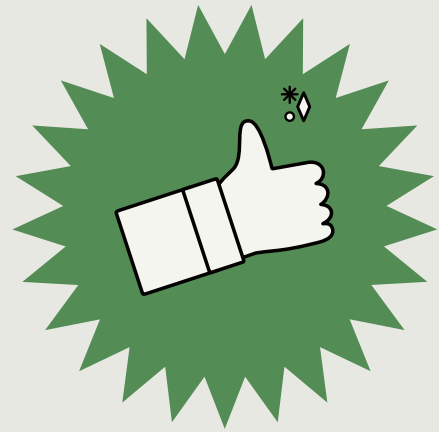

CASA AGM

Much like this AGM, CASA AGM was the board of directors presenting what they have been up to throughout the year to the membership, presenting major changes, and showing what work they've done. Very smooth, and set's up very nicely for next year. We also determined that Manitoba will be hosting next years AGM

CASA Transition

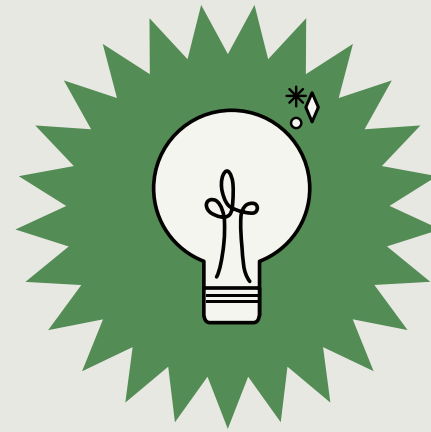

Much like OUSA, I am working on the documents and what training will look like for the future VPEA elect with CASA work, notable the biggest thing is getting all documents in order, and preparing the training for CASA Foundations from May 13-17th, which is a conference about getting delegates informed about what CASA does. Notably thier roles in the org, and joining any committees
