11. Policy 11: Director Discontinuation Process

11.1. Resignation from Office

11.1.1. Directors resign their office by the submission of a signed letter written to the President. The resignation shall take effect at such time as the Board of Directors has received the letter from the President at a meeting of the Board of Directors, whereupon the office shall become vacant. Until such time, the director remains responsible for all duties, obligations and tasks resulting therefrom.

11.2. Recall Referendum

11.2.1. Impeachment of any director can be requested by the general membership. A petition signed by no less than seven point five percent (7.5%) of the members can be presented to the Executive Committee requesting the removal of a specific director.

11.2.2. The Board of Directors can initiate a recall referendum with cause via a 2/3rds majority vote.

11.2.3. Once presented with the results, the Chairperson shall consult with the office of the registrar to determine the validity of vote.

11.2.4. Once the registrar's office confirms the signatures the referenda shall be completed and the results made public and acted upon.

11.2.5. Should the recall be successful the director in question shall immediately be relieved of office.

DISCONTINUATION POLICY

LAST REVISED: December 2023

- 11.2.6. Should the recall vote fail, the specific issue that caused the referendum is considered resolved and any further complaints about the specific matter should be referred to Student Services.
- 11.3. Meetings of the Membership
 - 11.3.1. A motion to initiate a recall referendum may be entertained at any duly called meeting of the membership. Upon the obtaining of a majority vote the referendum will be called.
 - 11.3.2. Once the vote is concluded the Board of Directors shall determine the best possible route for running the yes campaign (i.e. Who will be running it).
 - 11.3.3. It will be assumed the director in question will be running the no campaign.
