## Restructuring of the Board of Directors Referendum, January 18, 2019

Whereas the Trent Durham Student Association Board of Directors is proposing the restructuring of the Trent Durham Student Association (TDSA) Board of Directors to dissolve the current model and instead to be replaced by eight (8) Directors in total including:

Finance, Student Engagement, Policy, Health and Wellness, Equity, Human Resources, Outreach, and Academics.

Whereas these members will be tasked with chairing the committees mirroring their specializations. Whereas the current model of representation disproportionately represents students in smaller programs and the new model allows for more student participation at the committee level and a more efficient distribution of resources at the executive level.

## Athletics Referendum, February 17<sup>th</sup>, 2018

The Trent Durham Student Association agreed to transfer daily operations of the Athletics Program to Trent University Durham for the 2017-18 academic year. The University was able to increase the capacity of the program using supplemental resources which resulted in additional programming and significant growth in participation rates. The program has been reviewed and the TDSA Board of Directors has approved that the following questions be put to a vote.

Question:

Do you approve of the Trent Durham Student Association Athletics Fee to be converted into the Student Services Athletics Fee, thereby allowing Trent University to manage the athletic memberships and programs and allowing students to retain oversight of the program through a student majority based Athletics committee, commencing for the 2018/19 academic year?

If you vote YES:

The day-to-day operation of the athletics program will be run by Trent University. The university will provide additional assistance to the program through staffing, management, budget, and stability. The university will continue to research and improve the athletics program and fitness memberships under the guidance of an athletics committee comprised of a majority of students.

If you vote NO:

The day-to-day operation of the athletics program will be run by members of the Durham Campus student body, through the Trent Durham Student Association, and financed through existing levies with student organization support. The university will not be able to provide additional assistance to the program through finance or staffing.

## Health & Dental Plan Referendum, March 21st, 2016

The Trent Durham Student Association is conducting a referendum to improve the Health & Dental plan. The current TDSA Health and Dental Plan is funded by a premium each student pays through ancillary fees. If students show proof of external health insurance coverage, they can opt-out of this plan and receive a reimbursement.

The cost of our current Health and Dental Plan is increasing; current claims made by our membership far exceed (by about 10%) the total amount of funds our current provider receives to offer us these benefits. The TDSA needs student approval for fee increases in excess of 5%. If students do not approve the fee increase of \$62.00, benefits will be reduced significantly.

TDSA is planning to use a fee increase as an opportunity to seek out a new Insurance provider and to improve and rebrand TDSA's Health and Dental Plan service to better serve our membership and make the most of the premium they pay for this service.

C&C Insurance ("VIP") is our new Insurance provider. They are the current provider for Trent Central Student Association (TCSA). By partnering with C&C and TCSA, TDSA is able to offer our membership a significantly better Health and Dental Plan while maintaining a "low" premium and remaining autonomous. (For instance, without TCSA's partnership, the "new" plan would actually cost the TDSA membership a premium of \$320+ so while we are approving an increase, we are still getting a great deal on this new plan). C&C Insurance has demonstrated their commitment to a responsible business philosophy to both TCSA and TDSA, and so TDSA is looking forward to this new partnership.

The TDSA Health and Dental Plan Referendum will begin March 23rd and will conclude March 30th. It will be conducted online. Students will receive an email with a link to the referendum question. Email [admin@mytdsa.ca](mailto:admin@mytdsa.ca) for more information.

## U-Pass and Continuation of Services Referendum, March 24<sup>th</sup>, 2014

### U-Pass

The U-Pass is a Durham Region Transit bus pass for students. It is included in the student levy fees paid by each full time student. The cost of the U-Pass is increasing from \$147 to \$240 per year over the next 3 years.

Vote Yes: U-PASS continues, students continue to pay the transit fee. All full-time students will have unlimited access to Durham Transit.

Vote No: U-PASS discontinues, students no longer pay the transit fee. Students will be required to purchase passes directly through Durham Transit.

Results:

Turnout- at least 150

Vote Passed

### Continuation of Services

The following levies are collected from Trent Oshawa students on behalf of TOSA:

Athletics levy: \$103.05 (\$12.88/month)

Health and Dental Benefits: \$192.66 (16.06/month)

Walksafe levy: \$2.50 (\$0.31/month)

The contracts for these services are negotiated with 3<sup>rd</sup> party providers on behalf of students by TOSA and the University. Due to contractual obligations, including inflation, the cost of running these services negligibly increases each year, however, under current student bylaws and protocols, the associated costs have not been able to be collected from students thereby threatening the ability to continue offering these services to Trent Oshawa students.

Yes: Continue Services

- All Trent Oshawa students will continue to pay the TOSA levies, including annual increases of up to 5%
- All Trent Oshawa students will continue to have membership access to City of Oshawa athletic facilities, Walksafe, and Health & Dental benefits

No: Discontinue TOSA services

- Trent Oshawa students will no longer have access to the following services:
  - o Membership to City of Oshawa athletic facilities
  - o Walksafe

- Health & Dental benefits

Result:

Vote Passed

If you vote NO: There will b no student health benefits.

- a. Yes, I approve the \$187.05 health benefits fee.
- b. No, I do not approve the \$187.05 health benefits fee.

Results:

- a. 136 (63.8%)
- b. 77 (36.2%)

### Durham UPASS

Do you approve a Durham Region Transit UPASS fee of \$177.00 per academic year to be paid by full-time students only?

If you vote YES: You agree to pay a UPASS fee which will provide you access to Durham Region Transit (DRT), as well as GO busses within the Durham Region from September to May. Trent in Oshawa Student Affairs in conjunction with TOSA will put 5% of this fee towards added extracurricular student programming on the Trent University Oshawa Campus.

If you vote NO: No UPASS levy will be charged. Students will be responsible for paying their own public transportation at regular prices. As a reference the DRT monthly rate for students for the 2011-2012 year is expected to be \$100.00/month.
