Terms and Reference

Preamble:

Over the past couple of years, the TDSA has been an official observer of the Canadian Alliance of Student Association (CASA). CASA is a national voice for Canada's post-secondary students. Established in 1995, CASA is a non-partisan, not-for-profit student organization composed of student associations from across Canada. They represent undergraduate, graduate, and polytechnic associations.

With our observer status set to expire at the end of the academic year, the TDSA has to decide whether we want to become full members of CASA.

To learn more about CASA, please visit their [website](#).

The Fee:

There shall be no additional fees charged to students irrespective of the outcome of the vote. The membership fee for CASA shall be taken out of the TDSA operating budget.
